

Introducing an Educational Seminar for Machine Shops...

OSHA LEGAL

Workplace Compliance and Culture Insurance/Risk Solutions

Safety Compliance Company is presenting a half day seminar specifically designed for Machine Shops conducted by the leading experts in their fields of Cal OSHA/Safety/Risk Management.

This program is going to enhance your bottom line. Don't risk working all year to make a profit to have regulators take it all away.

For only \$105 we are fortunate to have the following experts:

David Pies – Recently retired Assistant Chief Counsel of Cal/OSHA Legal Division

- How to stay out of jail as a business owner
- What you can do to lower your chances of a Serious/Willful Citation
- How to handle an OSHA Citation
- Do's and Don'ts of an OSHA visit

Kirk Herold – Director of Safety Compliance Company, a leading consulting firm recognized by Cal/OSHA

- Safety Compliance and Safety Culture to reduce injuries and lower costs
- An effective Machine Shop (IIPP) Safety Program
- New Cal/OSHA Regulations that apply to Machine Shops
- Industry Specific training and guarding requirements

Rick Knerl - Principal at United Agencies, Inc., specializing in Risk Management and the placement of insurance coverage for Manufacturers and Distributors

- How actively managing workers care after an industrial injury can lower future Workers' Compensation Insurance Premiums by 20% to 30%
- Techniques for getting claims resolved and closed as expeditiously as possible – thereby lowering the cost of the claim
- How to handle minor "First Aid" claims to lower future Workers' Compensation Insurance costs
- The significance of 6 Months after the policy expires. Unit Statistical Filings

The Experts

David Pies
Attorney at Law

David W. Pies recently retired from the Division of Occupational Safety and Health after twelve years as a litigation attorney. He served as Assistant Chief Counsel and Advisor to the Bureau of Investigations in Southern California. He has a Masters Degree in Business and has represented Several Corporations prior to his service with the Division, including the Irvine Company and Wells Fargo Bank and various homebuilders.

Kirk Herold
Safety Consultant
Safety Compliance Company

Kirk Herold has provided safety consulting services since 1994 to all varieties of businesses to assist in OSHA compliance for Business Owners and Safety Directors as well as Human Resources Managers. He is a managing director for Safety Compliance Company, which specializes in OSHA compliance and cultural based safety programs. The programs such as IIPP, Training and Inspections are specific to each company and results in protecting employer's huge liability costs saving them thousands of dollars. In addition, the Safety Compliance Company Program creates a quality workforce that adds value to any company. Mr. Herold has personally implemented and maintained a safety program for a machine shop for 13 over years. An effective compliance program has lead to the successful growth and reduced insurance costs of this company. This experience has given Mr. Herold the expertise on how to train on specific pieces of equipment such as lathes, CNC, presses, mills, grinders, etc.

Rick Knerl
Principal at United Agencies, Inc.
Commercial Insurance Agent/Broker

Rick Knerl is a Commercial Insurance Agent/Broker specializing in Risk Management Consulting and placement of Insurance Coverage for Manufacturers and Distributors. Through the use of educational and loss control measures, Mr. Knerl has had a great deal of success assisting clients in reducing their exposure to loss and lowering their future insurance costs. Mr. Knerl has a B.A. degree from the University of California at Los Angeles.

Space is limited. All attendees will receive a certificate of completion.
